The NRC did not have slides. Only FENOC had presentation slides. The other available handouts were copies of the NRC's May 14th Demand for Information, FENOC's response to the Demand for Information dated June 13, 2007 and the NRC Assessment of the Exponent Report dated May 4, 2007. all are available in ADAMS.

comments: For Mark Brunnell, or designee:

If there were slides from the NRC and

other organizations, please provide a PDF copy via e-mail, or provide ADAMS accession number. I can also be reached at 419-321-7236. Thank you.

(Note: I have the FENOC slides, only.)
