RE: Lost Creek ISR LLC, In-Situ Recovery (ISR) Permit Application, TFN 4 6/268, Application is complete, Authorization to Proceed with First Public Notice

Dear Mr. Cash:

The Land Quality Division (LQD) District 2 staff have reviewed the aforementioned ISR Mine Permit Application which was received at the Lander office on December 20, 2007. Upon review of the application and the subsequent revisions that were made in your responses to the Land Quality Division's completeness comments, the LQD has found your application to be complete. You are now **authorized to proceed with the first Public Notice**.

Lost Creek ISR is reminded that upon achievement of completeness from LQD, a copy of the complete application must be forwarded to the Bureau of Land Management Rawlins Field Office in care of Mark Newman.

A copy of the Public Notice Instructions is attached. A thorough technical review of the application is forthcoming. Please do not hesitate to contact me at (307) 332-3047 if there are any questions.

Sincerely,

Melissa L. Bautz
District 2, Environmental, Senior Analyst
Land Quality Division
