DR-01-0290 Modification No. 29 Page 2 of 3

The purpose of this modification is to:

- (1) revise subsection B.8 CONSIDERATION AND OBLIGATION (a) increasing the total estimated cost of the task order by \$9,509,750.00 from \$28,247,481.87 to \$37,757,231.87. This increase reflects option period one pricing and reflects changes in the LOE staff portion of the option period which accommodate the exercise of optional labor category and the inclusion of new labor categories from the original task order. (See attachment number one.); and (b) providing funding which increases the obligated amount by \$4,522,307.17 from \$28,247,481.87 to \$32,769,789,04;
- (2) extend the period of performance; and
- (3) exercise the government's option of extending the term of the task order.

This modification acknowledges Ms. Joanne Newman's e-mail message dated June 25, 2004, which waived the 60 day prior notice requirement under the task order. This provision requires the government to notify the Contractor before exercising any option.

Accordingly, the following section of the task order is hereby modified:

- Under Subsection B.8 CONSIDERATION AND OBLIGATION, paragraph a and b revised to (a) increasing the total estimated cost of the task order by \$9,509,750.00 from \$28,247,481.87 to \$37,757,231.87 and increases the obligated amount by \$4,522,307.17 from \$28,247,481.87 to \$32,769,789.04. Therefore, the first sentence of paragraphs (a) and (b) are deleted entirely and the following is substituted in-lieu thereof:
 - "(a) The total estimated amount of this contract (ceiling) for the product/services ordered, delivered, and accepted under this contract is \$37,757,231.87.
 - "(b) The amount presently obligated with respect to this contract is \$32,769,789.04."
