Dear Sir or Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. 552, I hereby request a copy of the GE-Hitachi Global Laser Enrichment letter MBS-11-003, dated February 3, 2011, which pertains to a Standard Practice Procedures Plan for Protection of Classified Matter and other supporting documents required for a non-possessing facility clearance for Alexander & Associates.

Please provide the document to me at this e-mail address: egrossman@nationaljournal.com

I am requesting these records as a representative of the news media. I request a waiver of fees because my interest in records is not primarily commercial, and disclosure of the information will contribute significantly to public understanding of the operations or activities of the government. The news service for which I report, Global Security Newswire, is published by the highly acclaimed National Journal Group. The newswire is available online at www.globalsecuritynewswire.org.

Please provide requested copies at the soonest possible date, as this is a matter of pressing public interest. A response must be provided at least within 20 working days as dictated by law. If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

If you have any questions about handling this request, please telephone me at my number, below. Thank you for your prompt attention to this matter.

Sincerely,

Elaine M. Grossman
Reporter, Global Security Newswire
