Kinectrics takes any notice of nonconformity received from the NRC seriously and
has committed to responding with appropriate actions to resolve the issues in a
timely matter. Some actions have been initiated based on comments received at
the close of the inspection.

Please note that while the report completion date was listed as July 2nd, Kinectrics
did not obtain a copy until yesterday (July 12). Please note also that the point of
contact indicated in the covering letter to the report was identified as
dave.vellecoop@kinectrics.com. The spelling of Mr. Vellekoop's name is with a K.
Consequently, if the report was emailed on July 2nd, it would not have been
delivered by email to Dave Vellekoop at Kinectrics.

In consideration of the report not arriving for Kinectrics attention until July 12, and
our commitment to complete a thorough investigation and response to all
nonconformances, Kinectrics respectfully requests an extension for the 30 day
response to August 13, 2012.

Yours sincerely,
