Desc: Decommissioning of Radioactive Storage Facility @ Former Dodge Steel Facility, 6501 State Road, Philadelphia PA: I am conducting an environmental investigation at this facility and it was identified that in 1985 Or 1986, the NRC decommissioned Dodge Steel's storage facility. I am attempting to locate a report or letter that documents the decommissioning or correspondence that the NRC was not requiring any further action at the property in relation to onsite storage. Thanks in advance Joanne Van Rensselaer
