Y: This regulatory requirement may apply to this type of facility or transportation method. See rule text for specific applicability.

NA: This regulatory requirement is not applicable to this type of facility or transportation method.

GROA: Geologic repository operations area

ISFSI: Independent spent fuel storage installation

NPR: Non-power reactor

SNF: Spent nuclear fuel

SNM: Special nuclear material

HLW: High-level radioactive waste

MRS: Monitored retrievable storage installation

RD: Restricted data

SSNM: Strategic special nuclear material

CAT: Category of material
