Perspectives on Risk-Informed Licensing of Advanced Reactors

Technical Session W11

NAVIGATING the
NUCLEAR FUTURE

Session Logistics

Live Polling

- Three live polling questions are provided for this session
- In person attendees may respond via text message to a provided number
- Online attendees should see options to submit responses on the virtual platform
- The results will be discussed at various points during the session

Question and Answer Session

- Audience may submit questions using the virtual platform (accessed by in-person attendees using QR code)
- Audience may direct questions to the panel or individual speakers
- Session Chair will read questions out loud prior to opening the floor for answers from the session's speakers
