2 October 2024

U.S. NUCLEAR REGULATORY COMMISSION

Attn: Document Control Desk

Washington, DC 2055-001

Subject: REQUEST FOR A PROJECT NUMBER RELATED TO REPLOY POWER INC'S COMMENCEMENT OF ITS REGULATORY ENGAGEMENT PROCESS WITH THE NRC

REPLOY POWER Inc (REPLOY) has initiated its regulatory engagement process with the NRC and submitted its Regulatory Engagement Plan (REP) on September 25, 2024 to commence regulatory engagement activities with the NRC. Details concerning the REPLOY POWER INC planned activities including its submission of white papers is detailed in the September 25, 2024 letter and attachments.

The purpose of this letter is to request an assigned project number for all documents related to the REP and any subsequent regulatory engagement and license application submissions. This includes records that involved correspondence on design or construction pre-application review, internal interoffice memorandum related to the conduct of the review, and any outside organizations or individuals providing formal communications on any aspect of the NRC review.

Until further notice, please address any questions concerning this request to the undersigned, Mark E. Rosen, General Counsel and Regulatory Advisor for REPLOY POWER, Inc. at 703-927-7732 or [markr@reploypower.com](mailto:markr@reploypower.com)

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark E. Rosen', with a stylized, cursive script.

Mark E. Rosen
