

PUBLIC MEETING ANNOUNCEMENT

Title: Proposed Rule Generic Environmental Impact Statement for Licensing of New Nuclear Reactors

Date(s) and Time(s): November 14, 2024, 06:00 PM to 09:00 PM ET

Location: Webinar

Category: This is a Comment-Gathering Meeting. The purpose of this meeting is for NRC staff to meet directly with individuals to receive comments from participants on specific NRC decisions and actions to ensure that NRC staff understands their views and concerns.

Purpose: The U.S. Nuclear Regulatory Commission (NRC) will discuss the proposed rule to amend its environmental protection regulations that govern the NRC's environmental reviews under the National Environmental Policy Act of 1969 (NEPA). The proposed rule would codify the findings of the Generic Environmental Impact Statement for Licensing of New Nuclear Reactors, Draft NUREG-2249. The NRC staff will provide information and receive public comments on the proposed changes to NRC regulations, the draft NUREG-2249, and associated guidance.

Comments: Please register in advance of the meeting by clicking on the provided link. This will take you to a new page where you will be asked to provide some basic information, including an email address, so that the system can send you the Microsoft Teams link for the meeting. We ask that you do this in advance (at least 30 minutes) to provide the system time to send the link before the meeting starts.

Please note that agenda times are estimated and, depending on the participation level, the meeting could adjourn earlier than scheduled. If there are concerns with a potential early meeting adjournment, please inform the point of contact for this meeting.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

PUBLIC MEETING AGENDA

Proposed Rule Generic Environmental Impact Statement for Licensing of New Nuclear Reactors
