Subject: SMR, LLC Preapplication Meeting Materials for February 6, 2025 (Project No. 99902049)

SMR, LLC is pleased to submit presentation materials for a preapplication meeting regarding the planned approach to address the environmental impacts of postulated accidents in the SMR-300 Environmental Report.

Enclosure 1 contains the presentation materials that will be used to support the meeting.

No proprietary information is included in the presentation materials, and SMR, LLC does not expect that proprietary information will be discussed during the meeting.

SMR, LLC has estimated approximately 25 hours for the review of this material. If more hours are required for the review, please discuss with the SMR, LLC Director of Licensing. If you have any questions or require any additional information, please contact Andrew Brenner, Director of Licensing, SMR, at a.brenner@holtec.com, (O) 856-957-2011, or (C) 215-704-8387.

Respectfully,

Andrew Brenner
Director of Licensing, SMR, LLC
