Monty Python AND THE HOLY GRAIL

*"The NRC protects public health and safety and advances the nation's common defense and security by **enabling** the safe and secure use and **deployment** of civilian nuclear energy technologies and radioactive materials through efficient and reliable licensing, oversight, and regulation for the **benefit of society** and the environment."*

"... consistent with the policies of the Atomic Energy Act and Energy Reorganization Act ..." and "to include that regulation be conducted in a manner that is efficient and does not unnecessarily limit the benefits of ... radioactive materials and nuclear energy technology to society,"
