

The following Security Advisory (SA) is not available because it is marked "Official Use Only – Security-Related Information" and is exempted from public disclosure in accordance with 10 CFR 2.390.

SA-08-06, "National Special Security Event At Denver, Colorado" dated August 6, 2008

In 2008, DHS had designated an event in Denver, Colorado a National Special Security Event (NSSE). Therefore, the NRC recommended that selected NRC Research and Test Reactor (RTR) licensees maintain heightened vigilance for potential security threats.

The Nuclear Regulatory Commission (NRC) has issued SA-08-06 to selected research and test reactor licensees. Note that the security advisory contains physical security information and is, therefore, being withheld from public disclosure in accordance with 10 CFR 2.390.
