TRAINING: No special training is required for the document issued with this Change Notice.

REMARKS: This revision was required as part of the 5-year requirement to update IMCs. There were no open feedback forms to address. The revision consists mainly of formatting changes consistent with IMC 0040. Additional guidance added to Section 7 regarding the SERP and the consideration of uncertainty in risk-informed decision-making.

Additionally, titles of certain Table of Contents (TOC) entries were corrected after an audit comparing the most recent document to the TOC. Changes are indicated in red font on the most recent TOC.
